Sir,

Further to the courtesy telephone call of Examiner Brittain earlier today to indicate that the captioned application was scheduled for abandonment in view of a failure to respond to an office action, applicant transmits herewith a copy of a reply postcard in proof of the filing of a response.

Applicant notes that the response was filed together with a request for a certified copy of the application, which might suggest that the response had been routed with the request. In all events, applicant will be pleased to furnish a true copy of the papers that were filed in order to expedite the disposition of the application.

Respectfully submitted
Jan Folkmar, Applicant
